Complaint and Suit Christin Griskie Vs Disney Company
Plaintiff: Christin Griskie

Defendant: Disney Company and associated Divisions
and subsidiaries listed on page 1

5/28/15

United States District Court House
100 Federal Plaza
Central Islip New York

Submission to United States District Court House, 100 Federal Plaza, Central Islip, on 5/28/15.

Plaintiff, Christin Griskie (representing self) is filing a suit against Disney Company , and the WDC Divisions: (Walt Disney Studios, Disney Media Networks, Walt Disney Parks and Resorts, Disney Interactive, Disney Consumer Products), plus the WDC Subsidiaries (Walt Disney Pictures, Walt Disney Animation Studio, Walt Disney theatrical, The Walt Disney Company India, Pixar, Marvel Entertainment, Lucas Film,  Disney-ABC Television Group) for invading the privacy an creating profitable content in their products, message, and images related to Harry Potter, Frozen, Dog with a Blog, and other unnamed television shows and music.

Christin Griskie has written proof of communication of Disney just prior to the release of Frozen specifically. In America, massive corporations do not have the right to decline engagement in solicitation offers of agents and then use their ideas or suggestions immediately for profit.

Disney Financials in US Dollars:

Revenue: US \$48.813 Billion (2014)

Operating Income: US \$12.246 Billion (2014)

Net Income \$8.004 Billion (2014)

Total Assets \$84 Billion (2014)

Total Equity \$44 Billion

Number of Employees 180,000

The Harry Potter Empire has grossed over \$7 Billion.

Frozen has grossed over \$1 Billion.

Other productions not mentioned.

Christin Griskie is suing for \$20 Billion in damages and 1% of all annual profits made by Disney Company, its divisions or subsidiaries, following settlement date of June 28, 2015.

Additional damages will be sought if this settlement is delayed beyond June 28, 2015 by and \$25 Billion and increase to and of 10% of all annual profits as of Settlement date of July 28, 2015.

Based on specific intel beginning in Los Angeles California and surrounding areas and businesses in 1996 that has lead to two empires, plus additional productions within Disney that continue to make huge profits internationally, daily.

My intent is not to tarnish the reputation of Disney, nor California, my intent is to be made right for access and use of my intellectual property based on specific life events that were taken from my example spanning 19 years to the present

Corporate America simply cannot use material from regular citizens without their consent and personal profit this is in no way fair and or just. Failing to simply approach me as a writer, actor or producer or other talent would have been the appropriate and legal way to approach my story to the benefit of the American people.

Subtle or overt content in any commercial, movie, song, product that is not authentic and that takes from the private life of another is illegal and invasion of privacy, a breach of the constitution and Disney is one of many companies that have profited from my example as a non celebrity to this point. Other Disney productions have also been created, not mentioned in this pursuance.
